Beese Pricepard, Master do not know the precise distances between those points. The distance from Memphis to Island 37 is forty miles, and from Island 37 to Randolph twenty miles. Now, granting that the Richmond did run from Memphis to 37 in three hours, which is an ordinary run for the Lee. She claims to have made the run from Memphis to Randolph, which is twenty miles farther, in three hours and thirty-eight minutes. That is running twenty miles in thirty-eight minutes, equal to about thirty-wo miles an bour, and the company to the company indeed to have coaches in readines to start for Bot sand on the Boals. The Traveling Public and Shippers may rely upon the promptness of these Boals, and those who desire to forward goods for reshipment on this line, which is direct to the "Memphis and Arkansas River U.
